Assuring financial security for your loved ones requires careful planning.

Your entire life is ahead of you. Yet life can be uncertain, with no guarantees. You need a plan to help navigate these uncertainties, one that protects you and your family. This will provide a cushion to weather any unforeseen circumstances.

Protect what matters most.

The Knights Advantage Series – Limited Pay Whole Life Insurance

The Knights Advantage Series - Limited Pay Whole Life Insurance can offer an additional financial security during a time of uncertainty.

This permanent life insurance can be a valuable asset with guaranteed cash value growth over time and flexible premium options that are uniquely designed to fulfill your family's life insurance needs.

The decision to purchase whole life insurance should be based upon long-term financial goals and the need for death benefit protection as part of an overall insurance plan.

Consider what whole life insurance has to offer, how it can protect your family and supplement your retirement.

Proper insurance planning will provide a lifetime of financial security.

What plans have you made to protect your family?

FAMILY INSURANCE PLANNING

To protect your family, you must have a sound insurance plan. We are committed to meet the current and future needs of your family with permanent life insurance.

PROTECT YOUR INCOME

A well-crafted insurance protection plan offers you permanent and worry-free growth. Permanent life insurance can protect your family against the risk of income loss while supplementing your retirement needs for tomorrow.

As your income grows, we are positioned to keep pace with this growth to meet the future income loss needs of your family.

COMPLEMENT YOUR RETIREMENT PLANNING

By building cash value over a long period of time, permanent life insurance can complement traditional retirement accounts such as IRAs or your employer sponsored 401(k) or 403(b).

Protect What Matters Most. Your Life. Your Family. Your Future.

In 1882, Father Michael J. McGivney founded the Knights of Columbus as an organization to provide for the financial security of Catholic families. Since that time, the Order has grown to include life insurance, disability income insurance, long-term care insurance, and retirement products.
